### THE WEALTH & WISDOM INSTITUTE

**Leonard A. Renier**

**Founder/President**

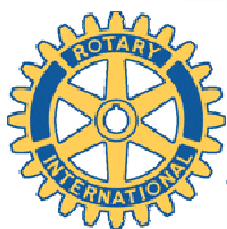

The Wealth & Wisdom Institute is not a sales organization. Wealth & Wisdom represents no products or company. It is a source of discovery in your personal life. Through knowledge and information it will give you a direction and aid you in making better life decisions. The Institute, through a series of discussions, will teach you to think instead of telling you what to think. Many doors of opportunity can be opened when you learn the lessons of the Wealth & Wisdom Institute.

Wealth & Wisdom Institute is an organization of professionals from across the country dedicated to informing and educating the public regarding the follies of traditional financial thinking. This group of experienced professionals includes attorneys, CPAs, tax professionals, authors, financial professionals, and pension, employee benefit and retirement experts.
