### THE **HOW** WE DO IT.....

We sell ads for the Rotary Directory. We, being the Grosse Ile Rotarians. Each member is “assigned” to previous advertisers and it is our duty to contact each of them personally, answer any questions, and collect the money. You will be given an advertising package which contains:

- List of previous advertisers assigned to you with address & phone number
- If you are a new member will be assigned prospective advertisers
- If Rotarian secures a new advertiser, contact June Van Os with their information ASAP.
- Additional contract information (3 pages) in packet.

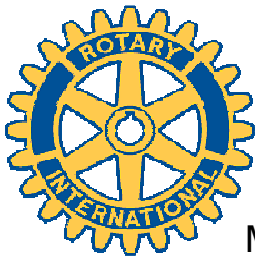

The 3 page contract will be sent by June 1<sup>st</sup> to all previous advertisers. We ask that each Rotarian follow up on this with in 2 weeks with a personal contact via face-to-face or by phone to assure that the contract was received as well

as securing their advertising commitment. Then it is up to you to collect the money. The easiest way is for them to mail in the ad and the money to June. June will keep every Rotarian updated with ads received and money received.

Installment payments can be arranged by the Rotarian, BUT, at least 1/3 of total due MUST be collected at time of commitment. Then the Rotarian must follow up to see that all payments are received.

### **THE TIMELINE TARGET**
