CONGRATULATIONS TO.....

CITIZEN OF THE YEAR 2009

DR. GREGORY GOYERT

- Dr. Goyert will be the GRAND MARSHALL of the IslandFest Parade on Saturday, June 6th. Come on out and see!

At our meeting this past Thursday we enjoyed listening to Joe Caruso. Joe lives on Grosse Ile with his wife Carol, was only 18 when he was diagnosed with an incurable cancer. Joe decided to commit whatever short time he had left to studying life and learning what he calls the simple, common, timeless, human truths. After radical, experimental chemotherapy and four major surgeries, Joe became one of the first people cured of advanced testicular cancer.

Congratulations Rotarians!

It is with great pride that we inform you of District 6400's selection as a pilot district for Rotary's Future Vision Program.

The future of Rotary is (truly) in your hands!

Warm Rotary Regards,

DG Bruce, DGE Neil, DGN Kim, DGNN Mike, PDG Bob Gallagher

Pilot overview

The Rotary Foundation Future Vision Pilot is a 3 year test of the new grant structure offered in the Foundation's Future Vision Plan. Approximately 100 districts will participate in the pilot. Pilot districts will have a unique opportunity to help refine the new grant structure by providing input and will receive specialized Foundation support and service. Pilot districts will be able to use up to 50% of their District Designated Fund (DDF) for district grants, and also access global grants, which are matched by the World Fund.

Districts participating in the pilot must agree to follow the new grant structure throughout the pilot and to not participate in any of the current Foundation programs, with the exception of PolioPlus and the Rotary Centers for International Studies. Participating districts also must appoint a district Rotary Foundation chair who will serve for the three years of the pilot (2010-13). The district governor for 2010-11 may choose to extend the current DRFC chair's term or appoint a different Rotarian.

Participation in the pilot requires a firm, 3 year commitment from the district. Once a district enters the pilot, it cannot withdraw. Districts will need to be patient and flexible because we are certain that as our program moves forward, there will be changes that were not expected at the beginning.

The Future Vision Plan is designed to:

- Simplify Foundation programs and processes consistent with the mission
- Focus Rotarian service efforts where they will have the greatest impact by addressing priority world needs that are relevant to Rotarians
- Offer program options to help achieve both global and local goals
- Increase the sense of ownership at the district and club levels by transferring more decisions to the districts
- Gain greater understanding of The Rotary Foundation's work and enhance Rotary's public image
