******Please note date change. Previously reported as Aug 8th, should have been Fri, Aug 7th.**

THURSDAY, July 30th

We had a great day with the Special Olympian young folks and their family and friends. It was a perfect day on the river for both the Bruce Milkins' Duck Factory and Warren Hurst's Clam Digger II. Thank you both for your continued support of this program with the use of your watercraft.

The Special Olympians attend Josephine Brighton Skills Center School in Wyandotte. The "Jo Brighton Center" was established in 1973 by the Wayne County Intermediate School District and serves all school districts in the Downriver Community, including Grosse Ile, with their special services. It operates under the Wyandotte Public Schools and provides vocational training options for students with every

handicapping condition.

We had a beautiful one hour plus ride on our Detroit River followed by a picnic lunch on the lawn of the Grosse Ile Yacht Club, all coordinated by Ted & Marsha Aller, Marty and Joanne Medved.

For the evening, the Club returned to the river for a great evening of fellowship, great food, and conversations. Alan Hickman cooked steaks to perfection and to order. Sandie and Bambang Soedarjatno and PDG Roberto Sanchez helped prepare the meal. Jim Smith made the last minute "Thunder Road" run for some vino, too.

Great job to all.
