

Here's the close up view, with the club being to the left/west of the triangle and the entire area in the square of GI Pkwy, Meridian Rd and the internal roads with the triangle is all parking. The most convenient entrance is actually off Meridian Rd. See page two, please.

This higher view shows a temporary problem getting to and from Grosse Ile. The bridge crossing the Trenton Channel, and becoming Grosse Ile Parkway is closed until this coming mid-December, 2007. During this dreadful time, the only way to get on the island in a vehicle, as opposed to a boat or plane, is to use the Grosse Ile Toll Bridge, which joins West Jefferson, in Riverview off the north end of GI, with Pennsylvania Road to the north and Sibley Road to the south. A visitor can take either east bound until it "t-bones" into West Jefferson. The toll for occasional visitors is \$3.00 east bound and \$0.00 west bound. I don't know how much of this information can be linked to the website but maybe this document could be. Thanks.

The search results on the left show "Grosse Ile Golf and Country Club" with the address "9339 Bellevue Rd, Grosse Ile, MI (734) 676-1166" and a link to "golfguideweb.com". The map on the right shows the area around Grosse Ile, MI, including Trenton, Riverview, and Southgate. The map is centered on Grosse Ile Parkway, which is marked with a red pin. The map shows the Trenton Channel and the Grosse Ile Toll Bridge. The browser's taskbar at the bottom shows the start button and various application icons, with the time displayed as 7:50 AM.
